GETTING STARTED

Insert the Battery

Insert the battery with the contacts down and the latch toward the device main connector. Then press the battery into the device until the battery latch engages automatically:

Charge the Battery

With Single Slot Dock*

⚠	*Do not use the Falcon™ until batteries are charged for minimum 4 hours.*
CAUTION	

---

* The power supply for the Single Slot Dock is included in the Single Slot Dock box

SYNCHRONISE YOUR DEVICE WITH THE PC

For Falcons with either Windows Mobile or Windows CE:

Set up Synchronisation using Windows Mobile® Device Center

To establish a connection between the Falcon™ and a host PC, start Windows Mobile® Device Center, which is pre-installed on the PDT, and follow the steps below:

1. Connect the Falcon™ to the host PC. Windows Mobile® Device Center configures itself and then opens.

2. On the license agreement screen, click Accept.

3. On the Windows Mobile Device Center's Home screen, click Set up your device.

4. Select the information types that you want to synchronizes, then click Next.
5. Enter a device name and click Set Up.

When you finish the setup wizard, Windows Mobile Device Center synchronizes the PDT automatically.
Communicate with Host
